instant Indian Chai*

What is Royal Chai?

Royal Chai is the perfect combination of skimmed milk, tea and exotic spices, which gives every Royal Chai serving its refreshing, authentic taste. You just have to try it to believe it!

No artificial flavours, preservatives or colourings have been added to Royal Chai products. Royal Chai is designed to replicate the same authentic natural taste of Indian Chai, that is found in all Indian homes and among Indian street vendors. Additionally, all Royal Chai flavors are available in sweetened and unsweetened, to suit everyone's individual taste.

Royal Chai is very popular in Europe as Tea Latte
